

A star in the heavens has been named in memoriam.

The certificate enclosed indicates the new name of the star and its telescopic coordinates. The booklet with constellation charts will help you in locating the area of the star and the large sky chart shows the star named encircled in red.

The new star name and telescopic coordinates will be registered in the International Star Registry's vault in Switzerland and recorded in the astronomical compendium *YOUR PLACE IN THE COSMOS*, Volume X, copyrighted in the United States of America.

Interstellarly Yours,

A handwritten signature in black ink that reads "E.M. Stolpe". The signature is written in a cursive, flowing style.
